

# LIFE CHANGERS CHRISTIAN ACADEMY

## **Continuous Enrollment FAQ**

- To better serve our Life Changers community, we simplified our annual enrollment process by transitioning to continuous enrollment, which eliminates the need for you to fill out electronic paperwork every year. Instead, students are continuously enrolled each year until graduation, or you tell us otherwise.
- Rather than an opt-in annual enrollment process, continuous enrollment is an opt-OUT process. In other words, if you are returning to Life Changers after initially enrolling, you will never have to fill out another enrollment contract.
- We assume you will return unless you inform us by completing the online [opt-out form](#) before February 27th, 2025.
- No scholar will be considered for enrollment for the 2024-2025 academic year unless their billing account is current, and they are in good academic standing.
- Life Changers Christian reserves the right to withdraw acceptance and terminate the enrollment contract should the student not satisfactorily complete the current school year either academically or behaviorally.

## **How does it benefit me?**

- With increasing enrollment and potential wait pools in many grades, continuous enrollment ensures your student will be assured a seat until their graduation or until you tell us they will not return for an upcoming school year.

## **Do I still have to pay a registration fee?**

- Yes. An enrollment deposit is still required each year. This non-refundable deposit will be automatically applied to your student's Praxi account on or about Feb 6th 2025 and will be applied to their tuition for the upcoming school year. Fees are due March 6th, 2025. Late registration fee will be charged on AR accounts after the 6th of March.

**Is there a penalty if I opt out and then decide to enroll later?**

- Families who complete an online opt-out form or otherwise notify Life Changers Christian Academy they will not be returning for the upcoming school year, and later decide to enroll must contact the Admission Office for space availability. There is no **guarantee** of a seat for that student. A new contract will have to be submitted and a late enrollment fee will be charged.

**I have a question which has not been answered, whom do I contact?**
